# Instructions: End of Learning Final Recall Test

Now that you have learned all of the pairs, let's test your memory. You will be given each *Hint* word and asked to type the associated *Response* word. The trials will appear on the screen as shown below.

A few things to keep in mind:

- **Type the *Response* word in the space as quickly as possible and then click Continue.**
- **If you do not know the Response word, just click Continue to move onto the next trial.**
- **Please make sure to type in the word <u>correctly</u> as typing mistakes are also considered errors.**
